

Which UNCG TESOL Program is Right for You?

I Need a K-12 Teaching License

I Have a Teaching License

I want to Teach in Another Setting

I Want to Teach in K-12 Public Schools

I am Already Teaching

I Want an ESL License Too

I Want to Collaborate with Others

I Want to Earn a Master's Degree

I Already Have a Bachelors Degree

TESOL MAT

The TESOL MAT is designed to assist preservice teachers to become ESL instructors. This full-time cohort based program (33 hours) runs from May to August of the following year and is designed for candidates who would like to obtain their ESL licensure and a Masters in Teaching.

Full Tuition Support from Ignite

NC TEACH

North Carolina Teachers of Excellence for All Children (NC TEACH) allows teachers with a full-time teaching position as an ESL teacher to obtain their licensure while continuing to teach. This program consists of 18-hours of coursework.

Full Tuition Support from Ignite

ESL Add-On

The ESL Add-On program is designed for K-12 teachers with NC initial licensure to complete 9 graduate credit hours that can be completed entirely online. Licensed teachers can obtain their ESL licensure. These hours can be applied towards the TESOL MEd.

Full Tuition Support from Ignite

PLCs

Professional Learning Communities (PLCs) are for inservice teachers to support multilingual learners and their families, with a focus on promoting literacy through evidence-based strategies or data-backed needs assessments for their communities.

Stipend Included from Ignite

TESOL MEd

The TESOL MEd program is a 36-hour program with both a licensure track and non-licensure track designed for those who teach in K-12 public schools or in alternative settings. All 9 hours of the ESL Add-on program can be applied.

Certificate

The Post-baccalaureate program is an 18-hour certificate program. It is designed for those who want to teach in settings other than K-12 public schools, such as those who want to teach abroad, in community colleges, or community settings like adult education. These hours can be applied towards the TESOL MAT or MEd.

Full Tuition Support & Stipends Included in Most Programs!
